and RFE but this support is to be withdrawn at the end of the current fiscal year. I requested that [REDACTED] thoroughly coordinate the project with DD/P inasmuch as I know from recent PRC action that the discontinuance of RFE support could not have been due to budget cuts and it appeared appropriate for the Agency to continue at least a portion of its support through the vehicle of RFE. [REDACTED] indicated that apparently FI questioned [REDACTED]

2. At [REDACTED] request, met with him and [REDACTED] to discuss overseas support, particularly from the administrative standpoint. I explained to them in detail the present procedure with DD/P for budgetary support of our operations and so forth and they agreed that [REDACTED] was not interested in assuming any of the administrative support responsibilities in connection with the proposed plan.

3. Attended the Career Service working group meeting at which the following action was taken:

- (a) Approved the paper on "Policy Governing Training at Non-CIA Facilities" which had been revised in accordance with comments at the recent Career Service Board meeting;
- (b) Approved the paper on the CIA Executive Inventory which Mr. Kirkpatrick will now discuss with the Director; and
- (c) Reviewed two appeals of rejects by the Professional Selection Panel, confirming the action on one and referring the other back to the Panel for additional information and further consideration.
